For you I would go deep
into the Yomotsu Mines
and find a gem to match
you beauty.

Honey, won't you Bee my
Valentine!

You were my Muse; I am
your legacy.
You're "meerly purrrfect".

You "rock" my world
Valentine.

Valentine you are as cute
as a "pixie"

I will Go in search of a
bauble to show you my
love!

Valentine I would go to
the "fight any foe" to
win your love.

I would traverse the
Labyrinth to prove my
Love.

Let's have a romantic
picnic in the tent by the
"lake".

My lover's eyes sparkle
brighter than the "Crystal
Fen".

Valentine, you are
"fair"est of them all.
Your Love has melted the
ICE that used to
surround my heart.

Your Love Starts my
FIRE on cold with days.

Before your love my
heart was blackened by
DESPISE.
Unlit you loved me I was
living in a BOG OF
DESOLATION

If Loving you is WRONG
I don't want to be right.

It would be a SHAME if
we could not be together.
Your Love lights up my
world like a Prism of
Light!

Your love is like an
OASIS in the desert of
my life.

Your Love lifts my Heart
like a PHOENIX rising.

You make my heart a
"sanctum".

I love "Yew truly".

"COM"e be with me
Valentine

You "ARRRRR" wonderful

"Cove" over to the "orc
fort" cutie!

I "Despise" being away
from you Valentine

"Missing you in Minoc"
Valentine

I've "Fallen" in love with
you.

Your love is "Haven"ly

You "light" up my life

You A"maze" me.

I want to "hog" and kiss
you
